THE ACKNOWLEDGEMENT

ACKNOWLEDGEMENT DEFINITION

An acknowledgement for a project is a writing that communicates gratitude to everyone whom assisted you in completing your assignment ,whether directly or indirectly.

Furthermore ,the acknowledgement may include information about who sponsored or enabled you to do your study, individuals from who you received help on specific writing duties involved in the process, and other collaborators such as advisors and committee members.

In most cases ,the acknowledgement for a project report is written at the beginning of the project ,right before the TABLE OF CONTENTS

It is usually a good idea to thank all of the people that helped you finish your job. Let us discuss various types of acknowledgement for project reports.But we would like to know the guidelines to write an acknowledgment for a project report.

Guidelines to write an Acknowledgement for a project Report

- Check that the acknowledgment is official and professional.
- Make a list of all the names of people who have provided direct or indirect assistance and recommendations to help you complete the task.
- Make sure to mention the names of the people in reasonable order by beginning the acknowledgement with the names of most important people.
- Explain briefly how their encouragement and assistance aided in the completion of the job.

Guidelines to write an Acknowledgement for a project Report

- Take care not to overlook anyone who has been a vital part of the process ,no matter how minor their involvement in assisting you with the project had been.
- The acknowledgement section should be formatted similarly to the rest of your project report ,including headers,margins and spacing.
- Avoid using a lot of high sounding terms.Keep things as simple as possible to ensure comprehension.

ACKNOWLEDGEMENT

I would like to thank my chemistry teacher, Mr/Mrs _____ for guiding me throughout this project work. I should also thank our lab assistant who helped me to line up the project and helped me with practical work.

A special acknowledgement goes to our principal _____ (name of principle) who gave me the golden opportunity of this wonderful project, which also helped me in doing a lot of research and I came to know about so many new things.

I wish to thank my parents as well for their support and encouragement without which I could not have completed this project in the limited time frame.

In the end, I want to thank my friends who displayed appreciation for my work and motivated me to continue my work.
